The University of Texas at San Antonio Announces National Collegiate Cyber Defense Competition

Ft Lauderdale, Florida 4/19/2010 08:15 PM GMT (TransWorldNews))

The University of Texas at San Antonio (UTSA) has announced that it will hold its 5th Annual National Collegiate Cyber Defense Competition (NCCDC) on April 16-18. The competition will be held at the Hilton San Antonio Airport hotel. It was founded by the Center for Infrastructure Assurance and Security (CIAS). CIAS is recognized as a leader in cyber security education and training. Contestants of the competition will be tested on their ability to operate and manage a network infrastructure while keeping them safe from hackers. For a full list of competitors, visit www.utsa.edu/today.

The University of Texas at San Antonio is one of the fastest growing higher education institutions in Texas and the second largest of nine academic universities and six health institutions in the UT System. As a multicultural institution of access and excellence, UTSA aims to be a national research university providing access to educational excellence and preparing citizen leaders for the global environment. UTSA serves nearly 29,000 students in 64 bachelor's, 48 master's and 21 doctoral degree programs in the colleges of Architecture, Business, Education and Human Development, Engineering, Honors, Liberal and Fine Arts, Public Policy, Sciences and Graduate School. Founded in 1969, UTSA is an intellectual and creative resource center and a socioeconomic development catalyst for Texas and beyond.
